

Feedback form

1. Do you find the CD useful?
2. Which sections do you think are most useful, and why?
3. Are there any sections you don't think are useful? Please give reasons.
4. What other materials would you like to see included?
5. Have you used any of the sections in awareness raising sessions?

If so, how have you used them?

If not, do you think you will use them in the future?

6. Do you have any awareness raising resources or approaches which you would be willing to contribute?
7. Could you tell us about the type of audiences/contexts you have delivered awareness raising sessions to in the past, or plan to?
8. Are there any further resources or support we could offer which you feel would help you in delivering awareness raising sessions?
