

BLACKPOOL TO PARIS

Last year I went on holiday to Blackpool with my family. We had lots of fun and it was sunny - most of the time! When we were there we climbed to the top of Blackpool Tower. There were wonderful views for miles and miles.

At the top I met a lady who said that now we'd climbed to the top of Blackpool Tower we should try to climb another tower. I asked where there was another tower like Blackpool's and she said 'PARIS!' I decided then that one day I would go with my family and climb up to the top of The Eiffel Tower in Paris and stand at the top and look around this beautiful city.
