

My Little Baby Niece

I am an uncle. I have a baby niece. Her name is Sofia. She is a very bubbly girl and she is my Little Princess. She makes me laugh when she says her favourite words, "Oh no!"

Sofia is my little monster because Sofia gives me a cheeky grin when she knows she is going to be naughty. She likes pulling breakfast cereals out of the cupboard.

I used to be immature before Sofia was born. Now I am more mature. I used to swear but now I don't swear in front of Sofia.

Sofia looks up to me.
